

Personal, Social and Emotional Development

We have been getting to know the grown-ups in Reception and making new friends.

Communication and Language

We have been learning to listen to each other and talk about the things that interest us.

Physical Development

We have been developing our balancing and jumping skills and learning to be safe in our new environment.

Literacy

We have been sharing stories, starting to learn our letter sounds and doing lots of mark-making in our play.

In Reception we have been...
September 2024

Mathematics

We have been talking about 2D shapes, going on shape hunts in our environment and creating shapes in our play.

Understanding the World

We are loving our new learning journey books and sharing information all about ourselves with our new friends and teachers

Expressive Art and Design

We have been learning where our creative resources are and how to use them.
