

Personal, Social and Emotional Development

We are continuing to work on turn taking, making friends, sharing ideas and talking about our feelings.

Communication and Language

We have been working on our listening skills and responding to each others idea in our play.

Physical Development

We have been working on ball skills. We have learned how to throw and catch and to keep the ball under control.

Literacy

We have been exploring mark making in our play. We have drawn and labelled story settings.

In Reception we have been...
January 2025

Mathematics

We have been looking at the composition of 5. We showed our knowledge in a game with hoops and bean bags.

Understanding the World

We have enjoyed exploring settings through fairy tales and recreating our own castles in play. Some of us have looked at kings and queens from history.

Expressive Art and Design

We have enjoyed exploring clay. We looked at different objects to mark the clay and played with making models of our choice including duck ponds and snails.
