

Rose Green Breakfast & After School Club

Run by a qualified primary school teacher of 20 years, our friendly club is based at the Junior School and caters for children from Reception up to Year Six. Our motto is 'Look after each other, look after our equipment and have fun!'

The club is open every weekday during term time. We are fully insured, DBS checked, Ofsted registered and staff hold full paediatric first aid certification. Sessions are bookable half-termly, please be aware that some sessions are currently subject to a waiting list and childcare vouchers are accepted.

Breakfast Club

Open daily from 7.45am, each session includes a healthy breakfast consisting of a range of toast and healthy cereal options, yoghurts, fresh fruit and drinks. The children have time to select activities and games of their choice after breakfast before going to school. The cost per session is £5.

Travel

Infant school children are escorted between sites by our staff and wear high visibility vests. We ask that parents ensure that their children are suitably dressed for the weather.

After School Club

Children are welcomed to the Club classroom and enjoy a choice of drinks, chopped fresh fruit, vegetables and breadsticks. Activities such as sports, arts and crafts, board games and Lego are provided throughout the afternoon and children have use of the outside areas, ICT suite, hall and craft area. Snack times are staggered throughout our sessions. Children can be booked in until either 5pm or 6pm. The cost per session is £10 or £12, depending on collection time.

Working in partnership with our schools and community.
