

Personal, Social and Emotional Development

We have been learning to help each other and think about how someone else may be feeling.

Communication and Language

We have enjoyed exploring our tide world. We have been asking questions and talking about what we observe and find out.

Physical Development

We have been doing lots of creative activities that support our shoulder development—this helps our writing.

Literacy

We have enjoyed 'The Snail and the Whale' by Julia Donaldson. It has inspired our writing and exploration of other places.

In Reception we have been...

May 2023

Mathematics

We have been exploring what makes up a number and thinking about how we can explain what we know.

Understanding the World

We have been interested in London and the River Thames. We have drawn maps and looked at historical artefacts.

Expressive Art and Design

'Take One Artist' During creative week we explored Van Gogh's painting 'Starry Night.' We tried different mediums.
