

In ICT we have been using the BeeBots. Giving them instructions to move around a grid.

In maths we have been learning about and using money.

In science we have been learning about growing and the conditions needed to grow seeds.

We have been reading lots of fabulous books. Before Christmas we read lots of Fairy Tales and Traditional Stories and now we are reading lots of non-fiction books about London.

Before Christmas we worked very hard to learn all of the Christmas songs for our Christmas performance. We were all very proud to perform it to our families and friends.
